**Attachments:** Spokane Tribe Letter in Support of Pebble Mine Permit Veto.pdf

Hi Cami,

I've drafted a response to the Spokane Tribe at this [link](#) using our standard response. I think it applies in this case - the incoming letter reads like a form letter to me (there is a space where I think the Tribe should have inserted their name at the beginning of the last paragraph on page 1).

Do you think we can move this forward without additional review given the agreement on the standard response?

Thanks,

---
